

DESIGNSKILLS

General : Superior craftsmanship and presentation skills; Detail-oriented; Well-organized; Highly motivated; Fast and accurate; Ability to multi-task and meet deadlines without sacrificing quality.

Technical : Advanced experience with the Adobe Creative Suite (Photoshop, Illustrator, InDesign, Acrobat, Dreamweaver); Experience with Flash, Premier Pro, After Effects; (X)HTML, CSS, Javascript knowledge; Installation and management of Microsoft Windows (95-Vista) and Microsoft Office (97-2007); Fast learning with new hardware and software.

Patrol Officer January 2006 - Present

City of Conway Police Department : Enforce laws related to the protection of life and property, direct and control traffic, prevent crime and the disturbance of peace, and arrest violators.

Freelance Designer January 2006 - Present

Research, design, and development of various print pieces. Working closely with clients, I maintained consistency and delivered products that met or exceeded expectations.

Graphic Designer / Asst. Manager February 2002 - January 2006

Conway Copies, Inc. : Identity/logo design (concept to completion), pre-press, color separation, typography, image manipulation, etc. My technical knowledge (ie. networking, PC software/hardware) and Adobe Creative Suite experience promoted rapid growth within the business and helped exceed projections. Edited all work by other designers to maintain consistency and ensure client satisfaction.

Data Administrator June 1999 - July 2001

Acxiom Corporation : Execute the necessary processes to deliver data products and information to clients. Utilizing a balance of business insight and technical knowledge, I interpret product and client requirements, translating them into technical solutions. Work closely with programmers to execute filters within data tables to increase usability by the client.
